STATED BUSINESS MEETING MINUTES NOVEMBER 26, 2001

President's report

Dr. Barbot presided. The following members were introduced to the Academy: Drs. Bech, Goldberg and Morris were presented and signed the book. Drs. Callans and Grabowski were announced as having been elected and will sign the book at the next meeting. Dr. Barbot then introduced Dr. Michael Acker, who gave an outstanding presentation on the surgical treatment of heart failure, contrasting it with heart transplantation. The meeting was an excellent Rhoads Oration, not only for the quality of the talk, but that both Dr. and Mrs. Rhoads were in attendance. This made for a superb conclusion for the final meeting of the calendar year.

Dr. Barbot reminded all members to submit their abstracts for the conjoint meeting and also encouraged residents to submit their abstracts for the residents' competition in February. Dr. Barbot announced the conjoint meeting to be held on Wednesday, April 10, 2002 at the University of Pennsylvania Anthropology Museum.
